

APPEARANCE PROTECTION

Appearance Protection Paint Repair Coverage Fact Sheet

About the benefit

Coverage definition

We shall provide for the repair of damage to the paint on the exterior surfaces of your vehicle, including painted bumpers. We reserve the right to select the method of repair and repair facility for each claim repair.

Benefit Limit

A maximum paint repair benefit limit of **\$1,000** (including taxes), in aggregate will be available to be used towards coverage of any approved paint repair throughout the entire term of the contract.

Exclusions

Only standard exclusions apply, including collision and vandalism. See “When will Your Vehicle not be eligible for protection?” section in the contract for more details.

How to make a claim

1. Confirm what caused the paint damage by speaking to the customer in order to ensure it wasn't caused by an event excluded from coverage, such as a motor vehicle collision or vandalism.
2. Take a picture of the damaged area.
3. Log into the HUB with your unique user ID/password and submit your claim online, or
4. Call the Hyundai Appearance Protection claims line at 1-855-506-6160 to obtain a claim reference number and further instructions to gain claim approval.
5. The Hyundai Appearance Protection claims department must approve the claim before repairs may be started.
