

Partial loss event.

Did you know?

If you have a fender-bender and your vehicle is repaired, you could have a damage record on your vehicle's history report. In many cases a damage declaration can decrease the resale value of your vehicle.

We're here to help.

In the event of a damage declaration record on your vehicle's history report, this product provides an in-store credit at the time you purchase or lease a new vehicle.

The statistics.¹

- Annually, more than 240,000 vehicles in Canada claim collision damages.
- The average repair bill for a collision is over \$5,700, which often results in a damage record, accelerating the depreciation of your vehicle.

Options.

Vehicle value	In-store credit
Up to \$20,000	\$2,500
\$20,000-\$40,000	\$2,500 or \$3,750
